

Let's explore our reward systems!

With no doubt, the competition in the business world is increasing each day and every company is trying its level best to come up with the strategies that can enhance the growth rate to the next level. But, the matter of fact is that the company is not the only one which is benefited from such strategies, in fact, numerous benefits go into the pockets of customers. This is an expression of acknowledging the loyalty of a customer from behalf of the company. Have you ever got amazingly great rewards or discounts on your shopping? Well, how was the experience? We believe for sure; it was and will be a great experience.

The thing here is that if a company opts for the idea of rewards and discounts, it shows its belief and confidence in the quality and quantity of the products that are being showcased.

Guess what? We have also got a huge number of rewards and discount waiting for you. Are you excited to give them a shot? We are very excited as they are a piece of evidence of the value that we hold for you all, as our customers, because our customers had been, are and will be always our ultimate priority. So, are you ready to explore the rewards and ways to redeem them? The details are enumerated below:

- We hold a very simple and effective policy that allows you to join our platform without making any effort in the form of time or in the shape of money. Join us free, claim your rewards and redeem them.
- All you have got to do is to earn the shape points which can be used to claim incomparably great rewards. Let's take a sneak peek about which gift can be claimed on certain points:
- It's very simple. Whenever you spend \$1 on our platform, we acknowledge your loyalty by giving you one shape point.
- Are you new here? Well, we have a surprise for you in the form of hundred shape points on the creation of a new account. Up for it?
- Is it your birthday? Happy birthday, may you have many more happy and contented ones. Don't worry, we are not forgetting to gift you your present. So, here is your present of 200 shape points.
- Do you appreciate our efforts? Why don't make an effort of writing a review and gaining the 50 shape points?
- Are you active on Instagram? What you have got to do most followers on Instagram and gain 50 shape points.
- Facebook is a common social platform nowadays. Isn't it? If you have followed us on Facebook, then 25 points are waiting for you!
